

Barka II Power and Desalination Project
P.O. Box 162, P.C. 320
Barka, Sultanate of Oman

LETTER OF APPRECIATION

*This is to acknowledge and appreciate **ARABIAN ACCESS SOLUTIONS** who responded urgently to our request and take up the job for the paint removal at the Pressure Filter Backwash Water Channel of Desalination Plant in Barka, Sultanate of Oman utilizing their special Hydrojetting Techniques.*

The task was completed as per the schedule without any injury to the personnel or damage to the equipment.

We appreciate their specialized technical team for their dedication and hard work in carrying out the said activity and to complete it at the earliest.

We wish you all success in your future endeavors.

Doosan Heavy Industries & Construction Co., Ltd.
