

For the attention of : Mr Ian Caffery,

Arabian Access Solutions.

Abu Dhabi & Dubai.

Ian,

I would like to take the opportunity to thank you for the excellent service we received from your company whilst carrying out the Hydrotest/Flushing Operations here at Rak Gas , Ras Al Khaimah.

The team of six Hydrotest technicians performed the duties impeccably and were a credit to your company, your men were very dedicated and committed to their responsibilities.

I sure we shall be able to call upon your team to support our project work at other work locations here in the Middle East.

Very best wishes for the future.

Regards,

Dennis.
